Dedication

We, the 1963 "BLACK AND GOLD" staff dedicate this year's annual to two most deserving people: Mrs. Fern Christman and Mr. Donald D. Canfield.

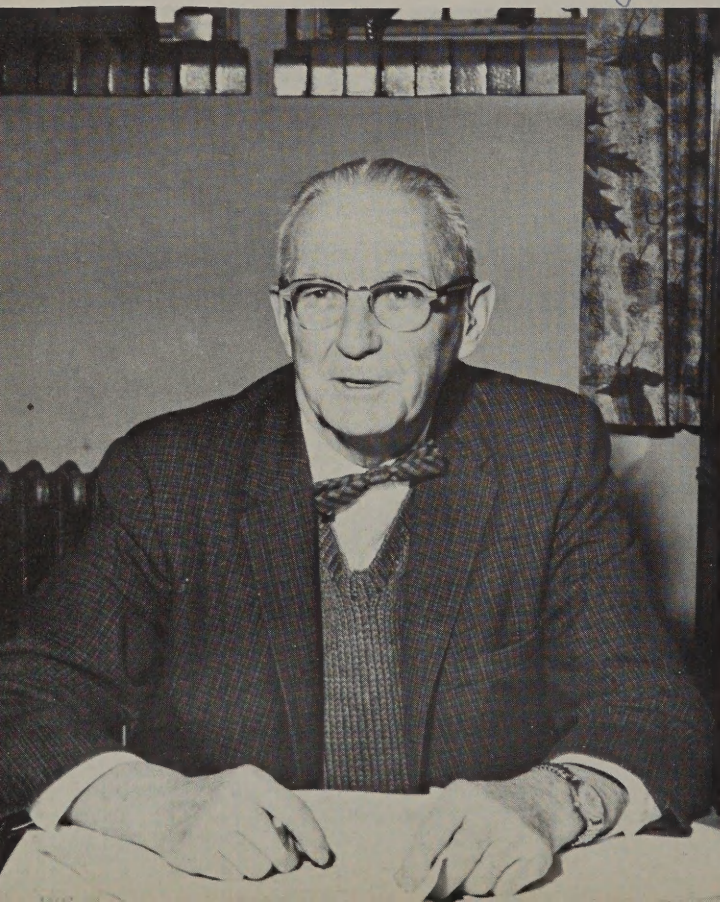

Mrs. Fern Christman has taught English and social studies at Perrysburg for the past 36 years. Mrs. Christman received her Bachelor of Science degree at Ohio State University in 1919 and since has done graduate work at Bowling Green State University.

She has been a member of the Methodist church in Perrysburg for 31 years. An active member of the church she belongs to the Wesleyan Service Organization, a church group for working women, and is spiritual life chairman of this group. In addition she is also a member of the Altar Flower Guild, and an official member of the church board.

Mrs. Christman has contributed much toward furthering the education of her pupils. She has been very helpful in conducting Junior Red Cross activities at Perrysburg. Mrs. Fern Christman not only prepares her students for their high school career but also for later life.

Fern Christman

Mr. Donald Canfield received his Bachelor of Science degree from Toledo University in June of 1928. He later did graduate work at both Ohio State University and Bowling Green State University. He received his Master's degree from Bowling Green State University in June 1956. Mr. Canfield served in the Armed Services from 1917 to 1919 and was a member of the House of Representatives of Ohio.

Mr. Canfield has taught school for 18 years and has been director of pupil personnel in Perrysburg schools for the past 13 years.

His outside activities include: active participation in the American Legion, Perrysburg Post and a member of the First Methodist Church in Perrysburg.

Their guiding hand and devotion have helped students through the years, and the Black and Gold staff take this opportunity to express their gratitude to them.

The Senior Class of 1963 is saying farewell to a delightful, a frustrating, a rewarding four year period of growing up. In fact almost a dozen conflicting adjectives could describe these high school times. And conflict is still with us as we prepare to graduate. We feel sorry that our high school years are over and already a feeling of nostalgia is upon us, but at the same time we are anxious to enter into another phase of our times. This phase will be diversified for us as we go our various ways but we'll all be grateful for having had these high school years together.

In our first year of high school we were led by—Pres. Marian Hawkins, V. Pres. Jackie Shelly, Sec. Priscilla Melchert, Treas. Carol Clift. This was the year of acquaintance for us not only with high school life itself, but also with many new people. As Freshmen we sponsored a dance as a money making project.

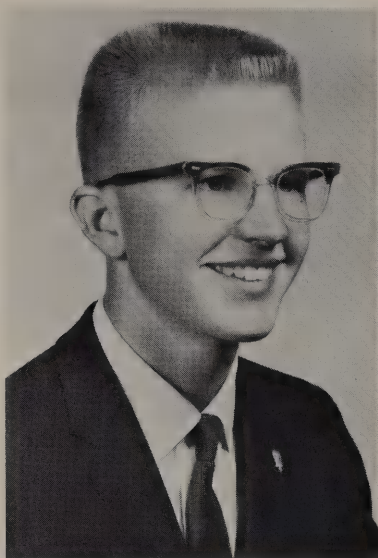

During our Sophomore year, under the guidance of Pres. Lynn Kirkby, V. Pres. Orra Herroon, Sec. Edna Howald, Treas. Lynne Graham; we ordered our class rings, presented three one act plays, and had a tax stamp drive. This was also the first year we had a class picnic.

As Juniors we worked together toward our one main objective, the Junior-Senior Prom. Our class officers were Pres. Tony Snyder, V. Pres. Kay Cleary, Sec. Sue Bolster, Treas. Jim Stebel. That year we presented the Junior Class Play "Dear Ruth". We held the Prom and had our second class picnic.

Our Senior year leaves us with many a happy memory. Our class officers were—Pres. Jack Fox, V. Pres. Marian Hawkins, Sec. Marilyn Stemen, Treas. Al Merickel. We presented the Senior Class Play "You Can't Take It With You" and the Senior Gift to the school which was two fir trees and two maple trees. The most important thing which we all will remember was Graduation.

Our deep thanks go to our helpful class sponsors, for without them we would have accomplished very little. Our sponsors were: Mr. Smith, Mr. Zender, Mr. Munger, Mr. Rogers, Mrs. Wagner, Mrs. DeYoung, and Mrs. Kutzke.

We the Senior Class would like to say to you, the underclassmen, make good use of each day for these years go very quickly.

Fifth period journalism students in their usual studios organized classroom. From left to right are: Tom DeCant, Larry Karnes, Linda Greene, Phil Gerken, Ron Soldwish, Judy Stolzer and Sandi Halsey.

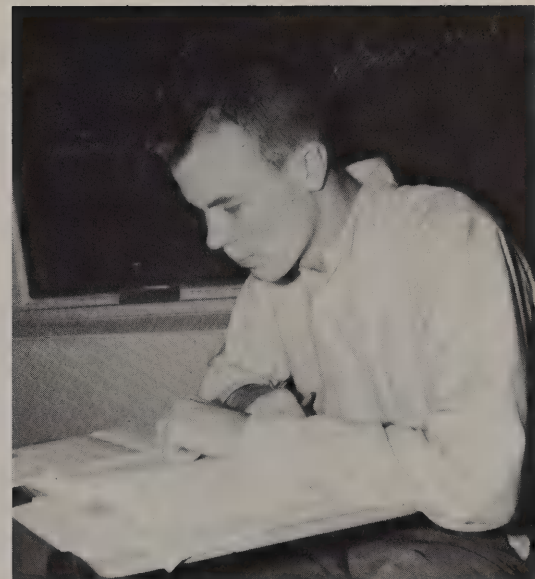

Rush hour in Hong Kong? No, the bell just rang at PHS.

Somehow, student, Art Williams, has found a room of solitude, while outside in the halls, students fight the endless turmoil of class changing.

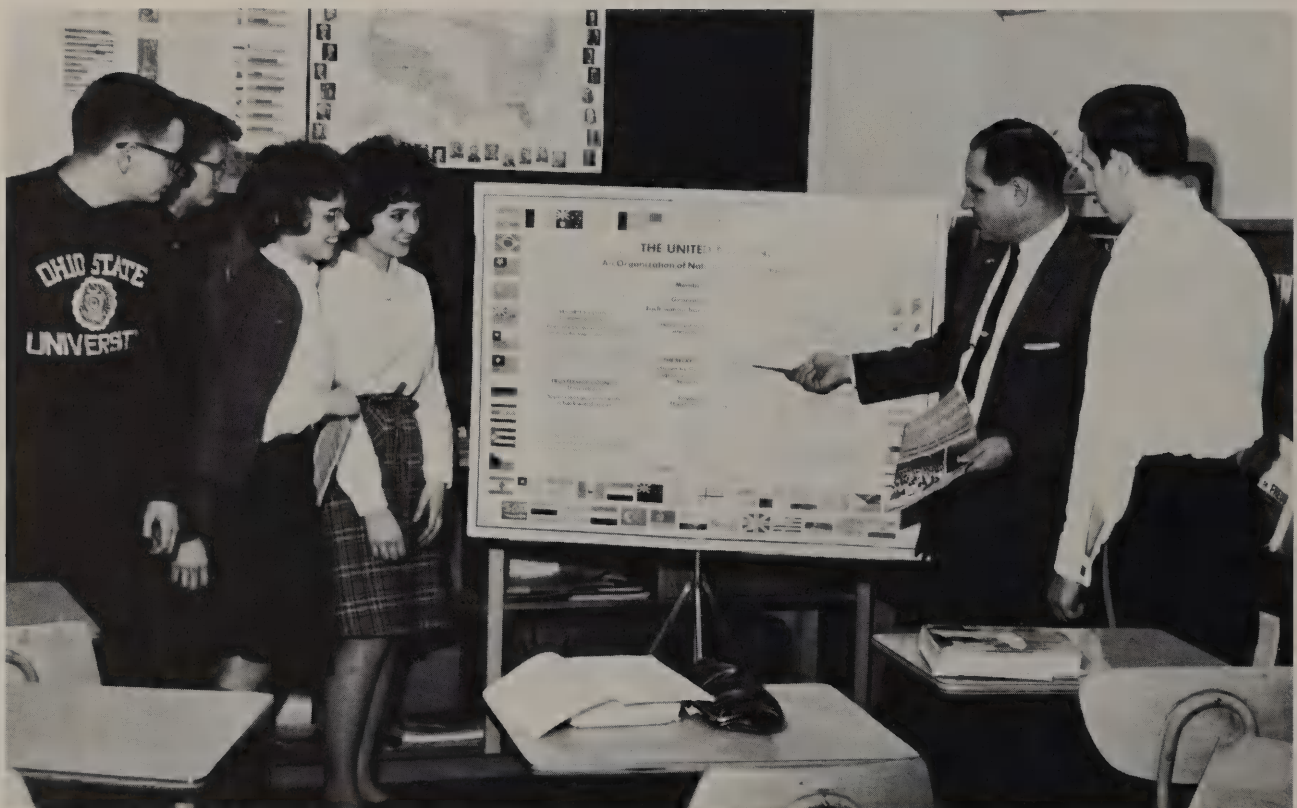

Oh well, it's only a small bedbug. Audrey and Chris should have brought a fly swatter, so that they could help Marianne out.

Art must have a special quality that enables him to study under **these** conditions!

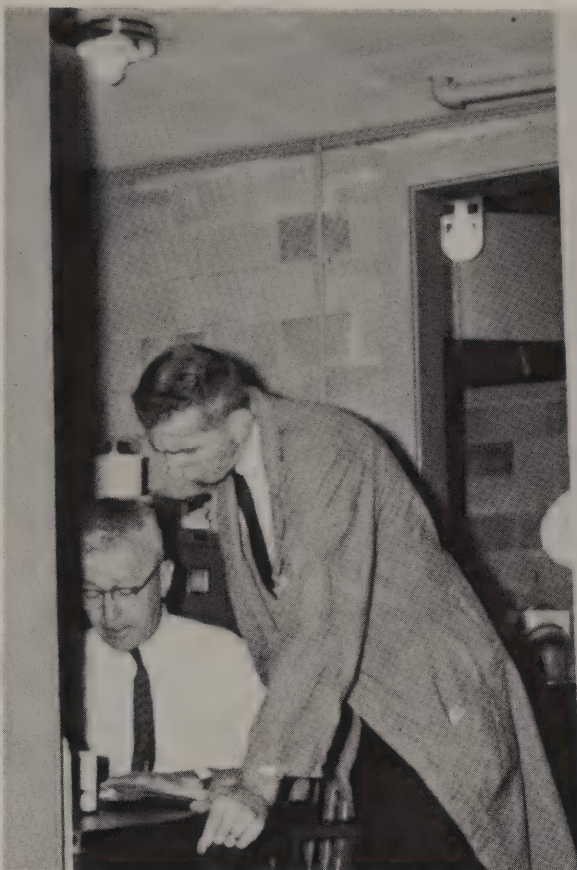

Seniors in civics class, are distracted from a lecture to pose for the cameraman. From left to right are: Tony Snyder, Steve Worstell, Ginger Lorenzen and Tom DeCant.

Civics teacher, Mr. Wolfe, explains the purpose of the United Nations to the following seniors, from left to right: Frank Fisher, Mike Flynn, Sue Schauweker, Linda Greene, (Mr. Wolfe), and Andy Cordava.

THE QUALITY MARK
TO LOOK FOR

LIBBEY·OWENS·FORD

a Great Name in Glass

TOLEDO 2, OHIO

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L·O·F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L·O·F Glass that insulates windows. It's called *Thermopane®* insulating glass. Another subdues sun heat and glare. L·O·F Glass that makes automobiles safer. L·O·F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L·O·F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.

Glass Center of the World

Owens-Illinois Building
Madison & St. Clair

In these four buildings are employed more than 4,000 Owens-Illinois men and women of Greater Toledo. Their employment means payrolls and purchasing power which adds strength to the area's economy.

Through nation-wide Company growth and progress, Owens-Illinois payrolls here have long provided a part of the economic drive which has marked Toledo's advancement. These four buildings are a visible sign of that contribution—past, present and future.
